

TRAVEL INSURANCE FOR YOUR WORLD CRUISE

WHY BUY TRAVEL INSURANCE?

Even the best-planned travel can be impacted by unexpected illness, medical emergencies, severe weather, delayed flights, or lost passports or luggage. These troubles can occur when least expected, forcing you to cancel or interrupt your trip, lose your non-refundable trip costs, and incur unplanned expenses. Generali Global Assistance anticipates the worst so you don't have to.

Here are 3 real-life scenarios to think about:

INCLUDES COVERAGE FOR COVID-19 SICKNESS

Your 5-year-old daughter develops a severe ear infection two days before your vacation. Your planned trip has been paid for in advance and may need to be cancelled due to medical reasons. With Trip Cancellation coverage you can be reimbursed for your trip cost.

Your luggage never showed up at baggage claim at your destination and it's been more than 24 hours. Now you have to buy personal items and clothing you'll need until it's returned to you. With Baggage Delay coverage the cost of necessary items that you purchase can be recovered.

You're on the cruise ship and suffer a heart attack. You require emergency medical transport to get to the nearest hospital for the care and medical attention you need. Emergency Assistance and Transportation and Medical and Dental coverages can cover these expenses.

Note: All insurance coverages are subject to per person and per plan benefit limits.
